

## THE ITM NEWS 1st ISSUE IS ONLINE!

While our preparations are continuing at full steam for the ITM 2020 International Textile Machinery Exhibition which will bring together the world's textile technology leaders in Istanbul on 2-6 June 2020, we continue to inform our participants and visitors with our publications.

The first issue of ITM News, which we have prepared within this scope, has been published. In our newspaper, which has full-up content, includes assessments from the industry's leading representatives, developments regarding the ITM exhibition, detailed information about the ITM 2020 global promotional activities and investments made in the textile sector in Turkey.

If you would like to publish the news which take part in ITM 2020 Newspaper in your own media, you could contact us by [press@itm2020.com](mailto:press@itm2020.com). We could send you text of news and photos with high resolution.
